

NEW POSTING – WATER TREATMENT OPERATOR

POSITION AVAILABLE – Water Treatment Operator
Saluda County Water and Sewer Authority (SCWSA)

Location:

581 Shealy Road, Leesville, SC 29070

About:

SCWSA is seeking hire an additional operator to staff the WTP located in eastern Saluda County off Highway 378. SCWSA's WTP is adjacent to SCE&G Boat Ramp #4 and twenty minutes west of Lexington, SC.

Qualifications:

Requires a SCLLR **Class "C" Water Treatment Operator License**, valid driver's license, and high school diploma or equivalent.

General Duties:

Operators are responsible for the operation of a 4 MGD water treatment facility that includes a raw water intake station, flash mix, pulsator clarifier, dual media filters, sludge thickening clarifier, EQ basin, clearwells, finished water pump station, operations center and laboratory.

Pay Range:

Dependent on qualifications and experience.

Work Schedule:

Operator will work 12-hour rotating shifts that will include **days, nights** and some weekends and holidays.

Resumes:

SCWSA will review resumes as they are received. Please send resumes to: rtafta@scwsa.com

SCWSA is an Equal Opportunity Provider and Employer.
